

Winchelsea Parent Community Information

We strive to be a friendly & welcoming school and enjoy opportunities to meet and share with our parents.

PARENTS' EVENINGS

These are termly and are important opportunities to meet the staff, other parents, celebrate your child's progress and share concerns.

WISP (Winchelsea informing & Supporting Parents)

This is an informal get together at the school to drink coffee, meet new members of staff or discuss relevant topics with a visiting speaker.

CAMEO (Come And Meet Each Other)

This is a forum for parents of pupils with ASD to share common joys, struggles and tips.

WINCHELSEA PTA

We are delighted to have a group of parents firmly committed to raising extra funds for our pupils. The meetings are relaxed and friendly and they are always looking for new ideas and willing helpers!

Details of all these meetings are in the termly newsletter.

PASTORAL CARE WORKER

Pauline Wheeler is in school Monday, Tuesday and Thursday each week and is happy to chat to you about any issues you may have. Please call the school office and she will contact you.
